Mr. Howland Wood,  
93 Perry St.  
Brookline, Mass.

Dear Sir:

There are here numerous varieties of Mohammedan copper and silver coins, and I wish to buy only those which bring rather high prices. Therefore if you kindly send me some illustrations of Mohammedan copper and silver coins, which can be sold at more than one dollar each, I shall be much obliged. If you wish I should be pleased to send you the rubbings of all coins that I will buy.

Awaiting the favour of your reply, I remain,  
Yours respectfully,  
Lazaraki Jordanides
